Registration Process

This is what you will need to send in to be registered:

1. Completed Registration Pack(s). You will need to fill out one excel file PER TEAM you are registering. Please email the EXCEL file to info@cheerexpo.net. Note: If you choose to mail in your package or send in any other format (PDF, Word, etc) there will be a \$100 per team processing fee. We need the file in excel (or equivalent) format (numbers, google sheets, etc).
2. If you prefer to skip Friday night check-in, you can opt to have your passes shipped if you have your registration 100% completed by March 3rd.
3. Programs are responsible to ensure that parents and participants are directed to read the "Terms and Conditions of Participation" document prior to registration / participation. The document may be distributed electronically as a PDF file, sent as a link to the page on the CheerExpo website, or printed as a hard copy for distribution.
4. University/College/CEGEP teams require an official roster of team members from the registrars' office. They'll need to sign off verifying that all team members are students of the school or an affiliated school to participate at CheerExpo. Minimum number of courses a student must be registered in to be eligible is 1 (one). Co-op work terms also qualify.
5. CheerExpo has been sanctioned by School Sport Nova Scotia. Junior and Senior high school teams from Nova Scotia whom are registered with SSNS may participate without additional forms required.
6. Grade school teams (junior high, high school, etc.) from outside of NS will require a letter of permission from the school principal or athletic department recognizing that the team is participating at the event.
7. Participants from outside Canada must carry medical insurance and complete a Waiver Form for each coach and athlete.
8. Crossovers – there is no crossover rate. Athletes must pay the full rate for each team/group they compete with.
9. Payment (ONE certified cheque, Email Money Transfer, or bank draft per program/gym):
 - a) Email Money Transfer (e-transfer) to info@cheerexpo.net
 - b) Cheques/Bank Drafts will be accepted only if received prior to February 14th. Make payable to CheerExpo and mail to 16 Liberty Crescent, Trenton, Ontario, Canada K8V 0G2
 - c) Credit Card payments via PayPal only. A 4% convenience fee must be added to your total. To join PayPal go to www.paypal.com. It's free to join PayPal and it's probably the most secure way to pay online since your banking details are not disclosed with payment.

Additional Registration Information:

1. Two (2) FREE coaches per competing team. Clarification: A club with 6 teams competing is entitled to 12 free coaches. Coaches may be listed on multiple teams from the same gym without extra fees as long as each coach fills a "free" spot for at least one team within the program. Athletes who also coach in the same program will pay to compete but are not required to pay an extra coach fee.

2. Coaches are responsible to have all eligibility (proof of age, etc) and medical information pertaining to the competitors including health card numbers, insurance companies (if applicable), any allergies or potential health considerations, and all emergency contact information. Coaches must be the actual coach(es) of the team. Additional coaches may come at the discounted rate.
3. **Non-Payment Policy:** Teams with a balance due will not be permitted to participate. Cheques must clear PRIOR to the event. Any bounced cheques, non-payment, or amount due after the competition for any reason will accrue 5% interest every 30 days starting from the Friday (check in) of the event. If the amount due is not paid in full after 90 days an extra 30% of the total will be added to the amount owing and the file will be sent to the collection agency (the 30% is a recovery charge to cover collection agency fees). In the event of litigation, the Program (aka the team, school, club, gym, owner, head coach, etc) will be responsible for all legal fees.
4. Performance Only / Demo teams will receive a 1-day spectator pass. These teams will not have access to athlete / coach only spaces outside of their scheduled warm-up time.
5. Cheer-Abilities teams who choose to be exhibition/performance only are free of charge and will not be scored, ranked or rated. They will receive a 1-day spectator pass and will not have access to athlete / coach only spaces outside of their scheduled warm-up time.
6. Cheer Abilities teams who wish to compete will pay the same rate as Prep teams, will perform twice, and will be scored according to the Cheer Canada scoring system for Cheer Abilities.
7. Changing divisions after the February 14th deadline will cost \$250 per division switch. The schedule may or may not change. Further, divisions may or may not change if minor changes affect the team composition after the schedule has been created (i.e., a coed team loses its only male athlete, a team adds or loses athletes).
8. There are no refunds after February 14th (awards have already been purchased) but you may transfer your credit (i.e., if Sally Sue was removed from your team, you can replace her with someone else at no extra cost, or transfer her paid amount to someone else in the form of a spectator passes for family members/fans). Credits must be used for the same event.
9. After February 14th, there are no refunds for fees paid to CheerExpo unless the event is canceled by CheerExpo (for a reason other than a Force Majeure Event). In the event that the competition is canceled, all attempts will be made to reschedule the Event. Those unable to attend will not be refunded. In recognition of the fact that most expenses for the Event occur well before the Event, if a Force Majeure Event occurs which prevents CheerExpo from completing the Event, CheerExpo will not be held responsible to refund programs. For purposes of this clause, a Force Majeure Event means any cause not entirely within the control of CheerExpo and which it could not by exercise of reasonable diligence have avoided such as the result of fire or other act of God / Nature, riot, labour strike, national or local emergency. Credits or partial credits may be issued towards future events in some cases and may be pro-rated based on when credit is used. CheerExpo reserves the right to re-schedule, postpone or make adjustments to events if necessary.
10. Unused credits issued from the 2020 event may be used at 20% value towards the 2025 event. This is the last year to use covid credits.

General Event / Competition Rules & Info

1. **NEW:** Final scores will be a combination of day one and day two with Day 1 being 40% and Day 2 being 60% of the final score.
2. **Proof of Eligibility:** See Document entitled "[Proof of Eligibility](#)" on our website to ensure you have the documentation prepared for eligibility checks during the event.
3. Coaches / team designated adults (over the age of 21) are responsible for the conduct and safe participation of participants at all times during the CheerExpo.
4. Read the **Age Grid document** fully ([Allstar](#) or [Scholastic](#)) for the rules, time limits, and all details concerning your division.
5. Although efforts will be made to prevent conflicts in the schedule, the flow and proper judging of the event are the priorities. Although CheerExpo will always try to leave at least 10 minutes between performances of crossover athletes, there are no guarantees. Athlete conflicts are the priority. Only conflicts (crossovers, athletes on school and allstar teams, coaches that coach more than one team, coaches who are athletes, etc.) that have been indicated to CheerExpo on the team list prior to the February 14th deadline will be considered for scheduling purposes. Conflicts with awards ceremonies cannot be accommodated.
6. Coaches will have the opportunity to challenge deductions and / or have an explanation of the deduction.
7. There will be no event spotters for this competition.
8. Only Coaches and their minor children are permitted in the Coaches Room.
9. Note: CheerExpo does not provide drinking water at the event. We encourage everyone to bring your own filled, personal labelled reusable water-bottle to prevent both accidental exposure to viruses and unnecessary trash/ recycling.

10. **Music:** Once the event schedule is released you will be asked to email in your music file to klemieuxd@gmail.com and label it with your performance number and team details. We will test it and have it ready for you in the warm up room and competition floor where our technicians will play your music during compete times so all coaches can be front and centre during your team's performance.

Having a back-up copy is encouraged. Note that any errors in performance due to poor music quality or the team's own equipment, supplies, lack of integration with our sound equipment or mistakes by team personnel will NOT be allowed to repeat their performance. Ensure you bring the wire with audio connection that is specific to your device.

Music ownership will not be verified for copyright purposes. All teams assume the liability risk if they use copyrighted music. CheerExpo will not be held responsible. Due to copyright laws, CheerExpo does NOT record videos for sale or distribution. Our license with SOCAN provides us the right to play the routine music live for your performance only.

11. When emailing your music, you should also send your programs' choice for the [MB Thompson Heart and Soul Award](#).
12. All participants must enter and exit the performance area in a timely fashion. Placement of props should take place immediately after the previous performance. Formal entrances (from the time your team is announced to perform) or exits involving jumps, tumbling, stunting, or organized motions, cheers or spell-outs are prohibited and may result in a deduction. All competitors should enter onto the floor as quickly as possible and immediately begin their performance when called. Teams who do not enter the floor when called will receive a zero for the performance and will be skipped. Coaches will enter the coaches' viewing area with the team that is scheduled **BEFORE** their team to ensure that they are in place for the performance start time. Coaches may also quickly place props prior to the team performance.
13. **Warm-Up Times:** Teams will be assigned warm up times but they are not mandatory. All teams must at least warm up their body to prepare for physical activity before competing. All schedules for the event will be posted at least one week before the event. Only coaches and athletes of the teams warming up are permitted in the warm up area.
14. **NOTE:** The music volume will be kept low to avoid conflicting music of each warm up floor and other happenings in the space
15. One-run teams (Prep, etc.) will perform and have awards on Saturday.
16. **Junior Judges and Unranked Teams:** Rated but unranked teams (Novice, U8 Prep, etc.) may be rated / scored by the trainees in the *CheerExpo Junior Judges Program*. This will give seasoned athletes the opportunity to experience judging as a potential way to stay involved in the sport after they retire from competing. Having more local experienced judges is essential for Atlantic Canada. Athlete's competing at CheerExpo can apply to be in this introduction to judging program. Spots are limited. See details, deadlines and restrictions on the CheerExpo website.
17. **SPECIALTY DIVISIONS (stunt groups, partner stunt, Indys, Duos):** Registration spots are limited. Stunt Groups: \$125 per group. Indys/Duos & Partner Stunts: \$65. All competitors must also be registered with a team or must pay per participant registration fees. Divisions will be split by age and level. Groups must follow the CheerExpo/CNS age grid and IASF rules (I.E. No Level 5 U12 stunt groups, etc.). Time limit is 1 min. All specialty divisions will be adjudicated by the *CheerExpo Junior Judges Program* using the Cheer Canada score sheet. Specialty divisions will warm up together and will remain around the competition floor during this portion of the event.
